

**SOFTWARE LICENSE AGREEMENT  
AMICUS ATTORNEY PREMIUM EDITION 2015**

**IMPORTANT - This is an agreement between you and Gavel & Gown Software Inc. ("G&G"). Please read it carefully before installing or using the Software.**

**BY INSTALLING OR USING THE SOFTWARE, YOU ARE AGREEING TO BE LEGALLY BOUND BY THE TERMS OF THIS LICENSE. IF YOU DO NOT AGREE TO THESE TERMS, DO NOT INSTALL OR USE THE SOFTWARE. PROMPTLY RETURN THE PACKAGE AND UNUSED SOFTWARE, ALONG WITH ALL MANUALS, DOCUMENTATION OR OTHER ASSOCIATED ITEMS WITHIN THIRTY DAYS TO THE PLACE YOU OBTAINED THEM FOR A FULL REFUND.**

*The odds are, if you're interested in this software, you're either a lawyer or working with a law firm. You know that G&G retains all the intellectual property in this software, and that you are acquiring a non-exclusive license to use it for only the number of people that you pay for. If you obtained this software on an evaluation basis, you are licensed to use it for only 30 days unless you pay the full license fee before that time expires. Even if you have paid the license fee, the software will stop working after 30 days unless you confirm your license, and the license only applies to the number of people so confirmed. In confirming your license you are again confirming your agreement to the terms set out in this License Agreement.*

*We spell out all the detailed terms below, but let's face it, all the formal words do not change these simple facts: you've paid for a given number of copies; using it with more people and/or letting others use it is a breach of the terms of your license. It hurts us, and it hurts you - why let someone else use illegally what you paid good money for? If software companies cannot be paid the very modest sums we ask as license fees, we cannot afford to continue to produce software that you can benefit from. And you know that software like this is sold in many different places for use in many different circumstances, all at an extraordinarily low price considering the years of development that went into it. So G&G can't provide any warranty about fitness for a particular purpose. Those who are using it have to take responsibility for whatever they do with it. You should understand the importance of these provisions, particularly if you're a member of the legal profession. If you don't, please get advice from a lawyer before you use the software.*

1. PERMITTED USE. G&G hereby grants to you a personal, non-transferable and non-exclusive right to use this software product (including but not limited to any executables, interpreted code, html, images, photographs, animations, video, audio, music, text and "applets" incorporated into the software product) and all associated software utilities and documentation provided with it (collectively "the G&G Software"), solely in binary and interpreted executable format, solely as part of the functioning of Amicus Attorney (and Amicus Premium Billing, if applicable), solely for your own internal business or personal purposes and solely for the number of people licensed in writing with G&G. If you wish to have additional people use the G&G Software, you must obtain a separate license for each.

2. AMICUS ANYWHERE SERVICE. The G&G Software includes services known as "Amicus Anywhere", "Amicus Client Portal" and "Amicus TimeTracker" (collectively "Amicus Anywhere") which permit certain functionality to be performed through a browser from a computer, tablet, smartphone or similar device. Amicus Anywhere includes the web sites at amicusanywhere.com and amicustimetracker.com; the law practice management systems, tools and services provided through those sites; all software, applets, services, data, text, images, sounds, video and content made available through those sites, including all additions or updates thereto which are made from time to time; and all related documentation, whether tangible or electronic. The Amicus Anywhere service is available only to firms who are subscribing to an Amicus Maintenance Plan, and only for the number of users licensed by the firm. It will cease to function should your subscription to Maintenance ever end.

a) Right to use

- Subject to the terms of this agreement and your subscription to an Amicus Maintenance Plan, G&G grants to you a subscription to use the Amicus Anywhere service, including a personal, non-transferable, non-sublicensable, revocable and non-exclusive license to use Amicus Anywhere, solely for your own internal business or personal purposes.
- The grant of this license allows for the participation of invited clients to access the Client Portal elements of Amicus Anywhere to view and comment on their file details.
- The grant of this license is conditional on compliance with this agreement, including payment of the Maintenance plan fee and compliance with the terms of the Amicus Maintenance Plan, as they may be set from time to time.

b) No misuse

- You agree that you will not misuse this right, which includes that you will not:
  - Copy or reproduce Amicus Anywhere or any of its source code for any purpose;
  - Use or transmit any of the Amicus Anywhere HTML, cascading style sheets or other source code that may be viewable for any purpose other than your personal use of Amicus

- Rent, lease, loan, license, sublicense, sell, resell, transfer, assign, distribute, time share, provide service bureau or commercial hosting services or otherwise commercially exploit or make Amicus Anywhere available to any third party (with the exception of the Client Portal);
  - Charge a fee to other users for the use of Amicus Anywhere or charge a fee to those users for access to general services which might include access to Amicus Anywhere (with the exception of the Client Portal);
  - Modify, adapt or create derivative works based upon Amicus Anywhere, its design or its “look and feel”, in whole or in part;
  - Reverse engineer, decompile, disassemble or otherwise reduce or attempt to reduce to a human-perceivable form any of Amicus Anywhere in any way;
  - Permit third parties to use Amicus Anywhere in any way that would constitute a breach of this license agreement;
  - Modify another website or URL so as to falsely imply that it is associated with Amicus Anywhere;
  - Use Amicus Anywhere to process data on behalf of any third party, or
  - Use Amicus Anywhere in any unlawful manner or in any manner that interferes with or disrupts the integrity or performance of Amicus Anywhere and its components.
- You agree that you will not violate or attempt to violate any security features of Amicus Anywhere, including, (a) accessing content or data not intended for you, or logging into an account that you are not authorized to access; (b) attempting to probe, scan, or test the vulnerability of Amicus Anywhere, or any associated system or network, or to breach security or authentication measures without proper authorization; (c) using any “bots”, “spiders”, scripts, or other similar devices or processes in connection with Amicus Anywhere; (d) interfering or attempting to interfere with service to any user, host, or network, including by means of submitting a virus to the Amicus Anywhere websites, overloading, “flooding”, “spamming”, “crashing” or “distributed denial of service” attacks; (e) using Amicus Anywhere to upload, post, host, or transmit unsolicited email, “Spam”, short message service “SMS” messages, viruses, self-replicating computer programs, “Worms” or any code of a destructive or malicious nature; or (f) forging any TCP/IP packet header or any part of the header information in any communication using Amicus Anywhere.
- c) Uptime & Security
- G&G does not provide any uptime guarantee for Amicus Anywhere.
  - G&G has implemented generally accepted industry standard systems and procedures to ensure the security and confidentiality of the data that you transmit through Amicus Anywhere (“Your Data”), protect against anticipated threats or dangers to the security or integrity of Your Data, and protect against unauthorized access to or use of Your Data.
  - Your Data is stored on the server where you install Amicus Attorney - normally in your office. It is not stored on public or private servers “in the cloud” unless you put it there. You agree that you are entirely responsible for maintaining and backing up the server where you install Amicus Attorney. You understand that none of Your Data is actually stored in Amicus Anywhere.
  - Unless you store in Amicus Attorney data that was previously or otherwise owned by G&G, G&G claims no ownership rights whatsoever (by express or implied lien, operation of law, or otherwise) in Your Data. However, access to and availability of Your Data through Amicus Anywhere is at all times completely subject to the terms of this Agreement.
  - G&G has a contractual relationship with Microsoft as a 3rd party cloud hosting provider for the operation of Amicus Anywhere, including the secure transmission of Your Data. G&G may change its 3rd party cloud hosting provider at its sole discretion.
  - Your Data is 256-bit encrypted during transmission from your PC, tablet or mobile device to your server when you use Amicus Anywhere.
  - However, no method of transmission over the Internet is 100% secure. Therefore, while we strive to use reasonable means to protect Your Data, G&G cannot guarantee its absolute security.
  - While all these steps provide you with a tremendous amount of security in Your Data, you acknowledge that you are also responsible for taking reasonable steps to access Your Data in a manner that protects its security. This includes that you are responsible for using secure Internet connections, and recognize that unsecure connections (for example public hotspots) are more open to malicious interception.
- d) Responsibility for your use of Amicus Anywhere
- You agree that your login to Amicus Anywhere may only be used by one person.
  - You may not use the account, username, or password of someone else.
  - The person or firm in whose name the account is activated is ultimately responsible for all use of the account, all actions of the users of that account and all the data transmitted through the account.
  - You are responsible for any and all activities that occur under your login or Amicus Anywhere account.
  - You are responsible for the accuracy and adequacy of personal information provided to Amicus Anywhere in connection with your subscription.
  - You are responsible for all information, data, text or other materials that you put into Amicus Anywhere, and for any intellectual property or other liability issues connected to your use or storage of that information.

- The person or firm in whose name the account is activated is responsible for all information, data, text or other materials that invited Amicus Client Portal users put into Amicus Anywhere, and for any intellectual property or other liability issues connected to the use or storage of that information.
  - You understand that Client Portal users will be able to add notes and documents to their client files and view other details as specifically granted by a firm member with sufficient rights.
  - You understand that the transmission of data through a telephone system and the Internet is not always error-free, and occasionally fails entirely. Accordingly you take full responsibility for any information you enter into Amicus Anywhere, and will not hold G&G responsible for any loss of or errors in information that may occur during your use of Amicus Anywhere.
- e) Suggestions and Modifications
- G&G encourages and welcomes your suggestions for the improvement of the G&G Software including Amicus Anywhere, and thanks you for all of your ideas. You agree that in making those suggestions you recognize that G&G is not obligated to compensate you for them, and that any intellectual property in them passes to G&G. You also commit that in providing G&G with any such suggestions you are not infringing anyone else's intellectual property, and will indemnify G&G and its employees, officers, directors, and affiliated companies, for all all claims, damages, losses, liabilities, costs and expenses should it ever be held liable for using your suggestions.
  - G&G may from time to time modify Amicus Anywhere by adding or removing features or functionality or changing their behavior. These modifications can be made with or without notification to you.
  - Your continued use of Amicus Anywhere after any such modifications constitutes acceptance of the modified version and agreement to use it under the terms of this agreement.

### 3. RESTRICTIONS ON USE.

If you do so, it is subject to the following limitations: (i) You must acquire and use and dedicate a separate license for each separate client machine that will access and use the G&G Software, regardless of whether the G&G Software is physically installed on such client machines; and (ii) notwithstanding the aforementioned Terminal Server licensing requirement, you are expressly prevented from using the G&G Software in a Terminal Server environment where the intent is to offer the G&G Software to other users in an Application Server Provider (ASP) environment for the purpose of charging a fee to those users for access to the G&G Software or charging a fee to those users for access to general services which might include access to the G&G Software.

4. OWNERSHIP AND COPYRIGHT. The G&G Software is licensed, not sold, to you. You agree that G&G owns all rights, title and interest, including but not limited to copyright, patent, trade secret, and all other intellectual property rights, in the G&G Software, related written materials, trademarks, logos, names and other support materials furnished in this package. 5. RESERVATION OF RIGHTS. G&G reserves all rights not expressly granted to you in this agreement. This agreement does not grant you any rights to trademarks or service marks of G&G.
6. Mandatory Activation. THERE ARE TECHNOLOGICAL MEASURES IN THE G&G SOFTWARE THAT ARE DESIGNED TO PREVENT UNLICENSED USE OF THE SOFTWARE. You may not be able to exercise your rights to the G&G Software under this Agreement after a finite amount of time unless you activate and confirm your license to the G&G Software in the manner required. You may also need to reactivate the G&G Software if you modify your computer hardware or alter the location of the G&G Software, or if you install an updated version of the G&G Software, or reach the end of a time period to which a Maintenance or other period applies. G&G will use measures to confirm you have a legally licensed copy of the G&G Software. If you are not using a licensed copy of the G&G Software, you are not allowed to install the G&G Software or future G&G Software updates.
7. AUTO UPDATE. There are technological measures in the G&G Software that are designed to automatically contact G&G and determine if the G&G Software needs updating. This includes communicating the state of your copy of the G&G Software, and potentially downloading onto your computer new versions or components of the G&G Software and installing them with or without intervention from you. You consent to all such communications, transfers and updates. G&G does not commit to provide any updates to the G&G Software.
8. CONSENT TO USE OF DATA. You agree that G&G may collect and use technical information gathered as part of the product support services provided to you, if any, related to the G&G Software. G&G may use this information solely to improve its products or to provide customized services or technologies to you and will not disclose this information in a form that personally identifies you.
9. LINKS TO THIRD PARTY SITES. G&G is not responsible for any links contained in the G&G Software to third-party sites or services, the contents of any third-party sites or services, any links contained in third-party sites or services, or any changes or updates to third-party sites or services. G&G is providing these links and access to third-party sites and services to you only as a convenience, and the inclusion of any link or access does not imply an endorsement by G&G of the third-party site or service.
10. INTERNET-BASED SERVICES. You may not use any G&G Internet-based services associated with the G&G Software in any manner that could damage, disable, overburden, or impair such services or interfere with any other party's use and enjoyment of them. You may not attempt to gain unauthorized access to any service, account, computer systems or networks associated with the Internet-based services.
11. ADDITIONAL SOFTWARE/SERVICES. This Agreement applies to updates, supplements, add-on components, or Internet-based services components, of the G&G Software that G&G may provide to you or make available to you after the date you obtain your initial copy of the G&G Software. G&G reserves the right to discontinue Internet-based services provided to you or made available to you through the use of the G&G Software.
12. UPGRADES. To use G&G Software identified as an upgrade, you must first be licensed for the software identified by G&G as eligible for the upgrade. After installing the upgrade, you may no longer use the original software that formed the basis for your upgrade eligibility. In order to be eligible for future upgrades, if any, to the G&G Software, you must have registered your license with G&G using the process provided. Upgrades will normally require payment of an upgrade fee. All upgrades provided to you shall be deemed to be part of the G&G Software and be subject to this Agreement, unless they are accompanied by a new License Agreement.
13. LIMITED WARRANTY. G&G warrants to you that the media on which the G&G Software is recorded is free from defects in materials and workmanship under normal use for a period of ninety (90) days from the date of delivery.

You expressly acknowledge and agree that use of the G&G Software is at your sole risk. G&G does not warrant or make any representations regarding the use or the results of the use of the G&G Software or related documentation in terms of their correctness, accuracy, reliability or otherwise. No oral or written information or advice given by G&G or a G&G representative shall create a warranty or in any way increase the scope of this warranty.

THE G&G SOFTWARE and related material are provided "AS IS AND WITH ALL FAULTS" without warranty or condition of any kind, including but not limited to the implied warranties or conditions of merchantable quality and fitness for a particular purpose. G&G does not warrant that the G&G Software will meet your requirements or that its operation will be error free.

IN NO EVENT SHALL G&G BE LIABLE TO YOU OR TO ANY THIRD PARTY FOR ANY DIRECT, INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES, EXEMPLARY DAMAGES, LOST PROFITS OR DATA LOSS, WHETHER FORESEEABLE OR NOT, EVEN IF ADVISED OF THE POSSIBILITY THEREOF. THIS LIMITATION

AND EXCLUSION APPLIES IRRESPECTIVE OF THE CAUSE OF ACTION, INCLUDING BUT NOT LIMITED TO BREACH OF CONTRACT, NEGLIGENCE, STRICT LIABILITY, TORT OR ANY OTHER LEGAL THEORY AND SHALL SURVIVE A FUNDAMENTAL BREACH.

G&G is not responsible for problems which may occur as a result of any incompatibility between the G&G Software and any other software or hardware. You assume responsibility for the selection of the G&G Software to achieve your intended purposes, for making backups of your data regularly, and for choosing, maintaining and matching your hardware, operating system software and other applications software. G&G cannot guarantee you uninterrupted service or the correction of any errors. G&G is not responsible for any losses which you may suffer as a consequence of the installation, use or failure to function of the G&G Software, whether foreseeable or not, including lost business, lost billable hours, or fees for third party consulting or services for installing, customizing or troubleshooting the G&G software.

14. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES, SO THE ABOVE EXCLUSION MAY NOT APPLY TO YOU. IN THAT EVENT, ANY IMPLIED WARRANTIES ARE LIMITED IN DURATION TO NINETY (90) DAYS FROM THE DATE OF DELIVERY OF THE G&G SOFTWARE. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY HAVE OTHER RIGHTS WHICH VARY FROM JURISDICTION TO JURISDICTION.

15. LIMITATION OF REMEDIES. G&G's entire liability to you or any other party for any claim, demand or action arising from or related to this License Agreement or your use of the G&G Software (whether in contract, warranty, tort (including negligence), product liability, patent or copyright infringement or any other theory whatsoever), including the matters set out in paragraph 13 above, and your exclusive remedy shall be:

- a) refund of the purchase price if the G&G Software package and media are returned to G&G within thirty (30) days with proof of purchase;
- b) the replacement of any media not meeting the Limited Warranty herein which is returned to G&G within ninety (90) days with proof of purchase; or
- c) termination of this License Agreement.

16. INDEMNIFICATION. You shall indemnify and hold G&G harmless from any and all claims, damages, losses, liabilities, costs and expenses (including reasonable fees of lawyers and other professionals) arising out of or in connection with your use of the G&G Software, whether direct or indirect, including without limiting the foregoing data loss, business interruption, computer "viruses" or issues arising out of communicating data after the year 2000 to other software programs. You shall promptly notify G&G of any such claim.

17. TERMINATION. This Agreement is effective until terminated. You may terminate this Agreement at any time by destroying all copies of the G&G Software and related materials. G&G may terminate this license without notice to you if you fail to comply with any of its terms, or if you fail to pay the required license fee(s) that you have agreed to pay for use of the G&G Software. Any such termination by G&G shall be in addition to and without prejudice to such rights and remedies as may be available, including injunction and other equitable remedies. Upon receipt by you of written notice of termination from G&G or termination by you, you shall immediately (a) cease using the G&G Software; (b) return to G&G the G&G Software and all written documentation and all magnetic or optical media provided to you (or destroy all copies thereof in your possession); and (c) within 5 days thereafter, provide G&G with a written confirmation that you have complied with the foregoing. You agree that if, after termination of this Agreement, you continue to use the G&G Software, G&G shall have the right to terminate operation of the G&G Software. The provisions of Sections 3, 4, 5, 8, 9, 10, 11, 12, 13, 14, 15, 16, 18, 19, 20, 21, 23, 24, 25, and 26 herein shall survive termination of this Agreement.

18. NOT FOR RESALE SOFTWARE. G&G Software identified as "Not for Release" or "NFR", may not be resold, transferred or used for any purpose other than demonstration, test or evaluation.

19. FORUM FOR DISPUTES. You agree that the Superior Court of Justice located in Toronto, Canada will have exclusive jurisdiction to resolve any disputes between you and G&G concerning this License Agreement, the G&G Software or otherwise and you hereby irrevocably attorn to the jurisdiction of that court.

20. SUPPORT. G&G disclaims any responsibility to provide any customer support except as may be agreed under a separate agreement to render support services. You may be eligible to receive limited Technical Support free of charge, the terms of which are outlined on the Technical Support section of the G&G Web site. 21. TERMINATION OF SUPPORT AND OTHER SERVICES. Software has a limited useful life for various reasons including changes in technology. You are free to decide and are responsible for deciding when to upgrade the G&G Software. G&G reserves the right to terminate Customer Support and all other services (including but not limited to any connectivity to any add-on products or services) applicable to the G&G Software in the event that the G&G Software has become inoperable or incompatible with current

To obtain up-to-date information regarding which products, releases and related services are currently supported, visit the G&G Web site or contact the G&G Customer Account Services Team. If you are not operating a supported release or service, it may be necessary to license an upgrade or replacement product or service in order to continue to receive Technical Support and/or other updates. Any updates licensed by you are considered part of the G&G Software and subject to the terms and conditions of this Agreement, except to the extent a separate license agreement is provided in connection with such update.

22. **RECOMMENDED ENVIRONMENT.** The G&G Software has been designed to work optimally in the environment documented within the documentation. Any defects, inconsistencies or issues arising out of operating outside the parameters set forth therein may require you to pay additional technical support costs to G&G to support and/or rectify, if G&G in its sole discretion chooses to do so.

23. **EXPORT RESTRICTIONS.** You acknowledge that portions of the G&G Software are of U.S. origin. You agree to comply with all applicable international and national laws that apply to the G&G Software, including the U.S. Export Administration Regulations, as well as end-user, end-use and destination restrictions issued by U.S. and other governments.
